

Copyright Information

ALL PHOTOS ON THIS WEBSITE ARE COPYRIGHTED MATERIAL AND ALL RIGHTS RESERVED.

This means you must have permission to use the photos in any way that does not fall under the limited rights granted by the "fair use" clause of the copyright law. See the Educational and Private, Non-commercial Use section below.

Educational and Private, Non-commercial Use

Gontz Photography's photos are free for educational and private, non-commercial use as long as you follow the restrictions for Educational and Private, Non-commercial Use. See below.

Restrictions on Educational and Private, Non-commercial Use

You may NOT add any of these photos to other photo libraries or galleries either online or offline. If you are going to use any of photos on a website, then must state somewhere on your page the photo(s) is/are copyright Gontz Photography. It is also courteous, but not necessary to send me an email notifying me of where the image is being used. Gontz Photography reserves the right to request a copy of the page or project showing the photo usage. Also, permission to use an image may be withdrawn at any time and for any reason.

Commercial Use

You may NOT use any of photos on this site for commercial purposes without either purchasing them or acquiring written permission from Gontz Photography. To request permission to use a photo for commercial purposes use my Contact Form.
